Statement of Intent

Our Pre-school is committed to continually encouraging our children to understand social, cultural, moral and spiritual British values throughout their time in school by bringing a wide and varied curriculum.

Aim

We aim to teach and promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Democracy

Pupils are encouraged to air their opinions and ideals through group discussions. They are always listened to by adults and are also taught to listen to others. We also have a parent run committee.

The Rule of Law

Children are taught the difference between right and wrong and that rules are there to protect us and keep us safe. We deliver this through stories, picture cards and rules boards. Children are supported and encouraged to adhere to their preschool rules. Our policies and procedures support these rules.

Individual Liberty

Children are encouraged to make their own choices, for example, they can choose activities and what snack they would like. We celebrate achievements with recognition, praise and stickers.

Mutual Respect & Tolerance

We work hard to educate our children to respect all faiths, communities and cultures. We celebrate special occasions for the families within the setting such as Chinese New Year. We work hard to build relationships with all our families, we encourage parents to join our parent helper rota, help with our fundraising and attend our parent afternoons.
